(a) The dismissal, promotion, or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him or her, unless the employee affected (1) has a right to a meeting and (2) requests that the meeting be open, in which case the request shall be granted.

(b) The hiring of any person as a public employee.

(c) Matters which, if discussed in public, would likely adversely affect the reputation of any person, other than a member of the public body itself, unless such person requests an open meeting. (d) Consideration of the acquisition, sale, or lease of real or personal property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

(e) Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed by or against the public body or any subdivision thereof, or by or against any member thereof because of his or her membership in such public body, until the claim or litigation has been fully adjudicated or otherwise settled. Any application filed for tax abatement, pursuant to law, with any body or board shall not constitute a threatened or filed litigation against any public body for the purposes of this subparagraph.

(f) Consideration of applications by the adult parole board under RSA 651-A.

(g) Consideration of security-related issues bearing on the immediate safety of security personnel or inmates at the county or state correctional facilities by county correctional superintendents or the commissioner of the department of corrections, or their designees.

A contract negotiated by a school board shall be made public prior to its consideration for approval by a school district, together with minutes of all meetings held in nonpublic session, any proposals or records related to the contract, and any proposal or records involving a school district that did not become a party to the contract, shall be made public. Approval of a contract by a school district shall occur only at a meeting open to the public at which, or after which, the public has had an opportunity to participate.
