Megan Larson, Chair, called the public hearing to order at 7:39am. Danielle Pilato discussed the procedures and formalities of a recount petition for Warrant Article Number Two from the March 10, 2020 vote. Warrant Article Number Two was a very close vote proposing a bond to renovate and create additional learning spaces for Pelham Memorial School. The bond failed to reach the 60% majority required by a small number of votes. It was decided to hold the recount on Tuesday, March 17, 2020 at Pelham High School at 5:00 p.m. The District Clerk agreed to send out the notifications to the Budget Committee and Selectman asking any volunteers to assist in the process. A police officer will be requested to assist in the recount process and transportation of the ballots. Newly elected School Board member Darlene Greenwood would be invited to participate and sworn in prior to the recount.

Troy Bressette made a motion to adjourn at 8:25 a.m. Seconded by Deb Ryan. Motion passed 3-0.
