AGREEMENT, dated the 13th day of July, 2021 between the New Hampshire Municipal Bond Bank, a public body corporate and politic constituted as an instrumentality of the State of New Hampshire exercising public and essential governmental functions (hereinafter referred to as the "Bank"), created pursuant to the provisions of Chapter 35-A of the New Hampshire Revised Statutes Annotated, as amended (hereinafter referred to as the "Act"), having its principal place of business in Concord, New Hampshire, and **Pelham School District** (hereinafter referred to as the "Governmental Unit"):

W I T N E S S E T H :

WHEREAS, pursuant to the Act, the Bank is authorized to loan money (hereinafter referred to as the "Loans") to the Governmental Unit and the Governmental Unit is authorized to contract with the Bank with respect to such Loans to be evidenced by its municipal bonds (as defined in the Act) to be purchased by the Bank; and

WHEREAS, the Governmental Unit has requested a loan from the Bank in the amount of **\$31,980,000** (hereinafter referred to as the "Loan") and, to evidence the indebtedness to be incurred thereby, has duly authorized the issuance of its bonds in at least that principal amount (the "Municipal Bonds"), which Municipal Bonds are to be purchased by the Bank in accordance with this Loan Agreement; and

WHEREAS, the Bank has adopted or will adopt a General Bond Resolution (hereinafter referred to as the "Bond Resolution") authorizing the issuance of its bonds from time to time, a portion of the proceeds of which will be expended for the purpose of making the Loan, and will adopt a resolution authorizing the making of the Loan to the Governmental Unit by the purchase of the Municipal Bonds,

NOW, THEREFORE, the parties agree:

1. The following words or terms used herein shall have the following meanings:

(a) "Fees and Charges" shall mean all fees and charges authorized to be charged by the Bank for the use of its services or facilities pursuant to paragraph VIII of Section 6 of the Act.

(b) "Governmental Unit's Allocable Proportion" shall mean the proportionate amount of the total requirement in respect of which the term is used, determined by the ratio that the Loan then outstanding bears to the total of all Loans which are then outstanding, as certified by the Bank.

(c) "Loan Obligation" shall mean that amount of bonds issued by the Bank which is equal to the principal amount of the Municipal Bonds outstanding.

(d) "Maximum Interest Cost Rate" shall mean an interest cost rate 2.75% per centum per annum.

(e) "Municipal Bonds Interest Payments" shall mean the amount to be paid by the Governmental Unit pursuant to this Loan Agreement representing interest due or to become due on its Municipal Bonds.

(f) "Municipal Bonds Principal Payments" shall mean the amount to be paid by the Governmental Unit pursuant to this Loan Agreement representing principal due or to become due on its Municipal Bonds.

2. The Bank hereby agrees to make the Loan and the Governmental Unit hereby agrees to accept the Loan and to sell to the Bank the Municipal Bonds in the principal amount of the Loan. The Municipal Bonds shall bear interest from the date of their delivery to the Bank at such rate or rates per annum as will result in an interest cost rate to the Governmental Unit of the Maximum Interest Cost Rate (as calculated by the "Interest Cost Per Annum" method) or at rates per annum as will result in a lesser interest cost rate to the Governmental Unit as determined by the Bank. The interest cost rate for purposes of this Loan Agreement will be computed as if the Municipal Bonds bore interest from the delivery date of the Bank's bonds, and without regard to Sections 4 and 5 hereof which require that Governmental Unit make funds available to the Bank for the payment of principal and interest at least thirty (30) calendar days (inclusive of Saturdays, Sundays and holidays) prior to each respective principal and interest payment date. Subject to any applicable legal limitations, the rate or rates of interest borne by the Municipal Bonds shall be not less than the rate or rates of interest borne by the bonds issued by the Bank (for corresponding maturities) the proceeds of sale of which were used to make the Loan and to purchase the Municipal Bonds. Notwithstanding the above, the obligation of the Bank to make the Loan shall be conditioned upon receipt by the Bank of the proceeds of bonds issued by the Bank both for the purposes set forth herein and to create the reserves required by the Bond Resolution.

3. The Governmental Unit has duly adopted or will adopt all necessary votes and resolutions and has taken or will take all proceedings required by law to enable it to enter into this Loan Agreement and issue its Municipal Bonds for purchase by the Bank.

4. The Municipal Bonds Interest Payments shall be not less than the total amount of interest the Bank is required to pay on the Loan Obligation and shall be scheduled by the Bank in such manner and at such times as to provide funds sufficient to pay interest as the same becomes due on the Loan Obligation and the Governmental Unit shall make such funds available to the Bank at least thirty (30) calendar days (inclusive of Saturdays, Sundays and holidays) prior to each interest payment date.

5. The Municipal Bonds Principal Payments shall be scheduled by the Bank in such manner and at such times as to provide funds sufficient to pay the principal of the Loan Obligation as the same matures (based upon the maturity schedule provided by and for the Governmental Unit and appended hereto as Exhibit A) and the Governmental Unit shall make such funds available to the Bank at at least thirty (30) calendar days (inclusive of Saturdays, Sundays and holidays) prior to each principal payment date.

6. The Governmental Unit agrees to be obligated to pay Fees and Charges to the Bank. Such Fees and Charges, if any, collected from the Governmental Unit shall be in an amount sufficient, together with the Governmental Unit's Allocable Proportion of other monies available therefore, including any grants made by the United States of America or any agency or instrumentality thereof or by the State or any agency or instrumentality thereof, to pay on a semi-annual basis:

(a) as the same becomes due, the Governmental Unit's Allocable Proportion of the administrative expenses of the Bank; and

(b) as the same becomes due, the Governmental Unit's Allocable Proportion of the fees and expenses of the trustee and paying agents for the bonds of the Bank.

7. The Governmental Unit agrees to be obligated to make the Municipal Bonds Principal Payments scheduled by the Bank on an annual basis and agrees to be obligated to make the Municipal Bonds Interest Payments scheduled by the Bank and to pay any Fees and Charges imposed by the Bank on a semi-annual basis.

8. The Governmental Unit agrees that any loan agreements previously entered into between the Bank and the Governmental Unit in connection with loan obligations previously undertaken and presently outstanding between the Bank and the Governmental Unit, are hereby amended so as to provide that the Governmental Unit shall make such funds available to the Bank with respect to the payment of interest and principal of each such loan obligation, if any, at least thirty (30) calendar days (inclusive of Saturdays, Sundays and holidays) prior to each interest or principal payment date pertaining thereto.

9. The Bank shall not sell and the Governmental Unit shall not redeem prior to maturity any of the Municipal Bonds with respect to which the Loan is made by the Bank prior to the date on which all outstanding bonds issued by the Bank with respect to such Loan are redeemable, and in the event of any sale or redemption prior to maturity of such Municipal Bonds thereafter, the same shall be in an amount equal to the aggregate of (i) the principal amount of the Loan Obligation so to be redeemed, (ii) the interest to accrue on the Loan Obligation so to be redeemed to the next redemption date thereof not previously paid, (iii) the applicable premium, if any, payable on the Loan Obligation so to be redeemed, (iv) the costs and expenses of the Bank in effecting the redemption of the Loan Obligation, and (v) at the direction of the Bank, an amount equal to the proportionate amount of bonds so to be redeemed which were issued by the Bank with respect to the Loan Obligation and necessary to fund a portion of the reserve fund authorized by Section 11 of the Act, less the amount of monies or investments available for withdrawal from such reserve fund and for application to the redemption of such bonds issued by the Bank in accordance with the terms and provisions of the Bond Resolution, as determined by the Bank; provided, however, that, in the event the Loan Obligation has been refunded and the refunding bonds issued by the Bank were issued in a principal amount in excess of or less than the Loan Obligation remaining unpaid at the date of issuance of such refunding bonds, the amount which the Governmental Unit shall be obligated to pay under item (i) hereof shall be the amount set forth in the resolution of the Bank. In the event the Loan Obligation has been refunded and the interest the Bank is required to pay on the refunding bonds is less than the interest the Bank was required to pay on such Loan Obligation, the amount which the Governmental Unit shall be obligated to pay under item (ii) above shall be the amount of interest set forth in the resolution

of the Bank. In no event shall any such sale or redemption of Municipal Bonds be affected without the prior written agreement and consent of both parties hereto.

10. Simultaneously with the delivery to the Bank of the Municipal Bonds, which Municipal Bonds shall be in a form acceptable to the Bank, the Governmental Unit shall furnish to the Bank an opinion of bond counsel satisfactory to the Bank which shall set forth among other things, the unqualified approval of said Municipal Bonds then being delivered to the Bank and that said Municipal Bonds will constitute valid general obligations of the Governmental Unit as required by the Act. The Governmental Unit shall bear the cost of such opinion.

11. The Governmental Unit shall be obligated to notify the Bank and the corporate trust office of the trustee for the bonds of the Bank in writing at least 30 days prior to each interest payment date of the name of the official of the Governmental Unit to whom invoices for the payment of interest and principal should be addressed.

12. The Governmental Unit and the Bank agree that the Municipal Bonds Principal Payments, the Municipal Bonds Interest Payments and the Municipal Bonds or a portion thereof may be pledged or assigned by the Bank under and pursuant to the Bond Resolution.

13. The Governmental Unit agrees upon surrender to it of the Municipal Bonds by the Bank it will, at the option of the Bank, cause there to be delivered to the Bank either registered or coupon Municipal Bonds as the case may be.

14. Prior to payment of the amount of the Loan, or any portion thereof, and the delivery of the Governmental Unit's Municipal Bonds to the Bank or its designee, the Bank shall have the right to cancel all or any part of its obligations hereunder if:

(a) any representation made by the Governmental Unit to the Bank in connection with application for Bank assistance shall be incorrect or incomplete in any material respect; or

(b) the Governmental Unit has violated commitments made by it in its application and supporting document or has violated any of the terms of this Loan Agreement.

15. (a). The Governmental Unit agrees to furnish to the Bank annually as long as any of the Municipal Bonds remain outstanding such financial reports, audit reports and other financial information as the Bank may reasonably require.

(b). So long as the Governmental Unit shall constitute an obligated person within the meaning of S.E.C. Rule 15c2-12 (the "Rule") as in effect from time to time, the Governmental Unit agrees to furnish to the Bank (1) such financial information and operating data with respect to the Governmental Unit at such times and in such forms as the Bank shall reasonably request in order to comply with the provisions of the Rule, (2) when and if available, the Governmental Unit agrees promptly to provide the Bank with its audited financial statements for each fiscal year and (3) the Governmental Unit agrees to provide to the Bank in a timely manner, notice of any of the following events with respect to the Municipal Bonds, if material:

The Governmental Unit will provide, in a timely manner, to the Bank, notice of a failure to satisfy the requirements of this Section.

The intent of the Governmental Unit's undertaking pursuant to this Section is to facilitate the Bank's ability to comply with the requirements of the Rule. Accordingly, the Governmental Unit agrees to provide the Bank with any additional information the Bank may reasonably require in order to comply with the requirements of the Rule, as in effect from time to time.

To the extent the Rule no longer requires issuers of municipal securities to provide all or any portion of the information the Governmental Unit has agreed to provide pursuant to this Section, the obligation of the Governmental Unit to provide such information pursuant to this Section also shall cease immediately.

The sole remedy available to the Bank or to any other person for the failure of the Governmental Unit to comply with any provision of this Section shall be an action for specific performance of the Governmental Unit's obligations under this Section.

16. The Governmental Unit shall not take, or permit to be taken, any action or actions that would cause any Municipal Bond to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as from time to time in effect (the "Code") or a "private activity bond" within the meaning of Section 141(a) of the Code or that would cause any Municipal Bond to be "federally guaranteed" within the meaning of Section 149(b) of the Code, or that would otherwise cause interest on the Municipal Bonds to become included in gross income of the recipient thereof for the purpose of federal income taxation.

The Governmental Unit shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Unit on the Municipal Bonds shall be excluded from gross income of the recipient thereof for the purpose of federal income taxation under any valid provision of law and to assure that the Municipal Bonds shall not be "private activity bonds" within the meaning of Section 141(a) of the Code, including the preparation and filing of any statements required to be filed by the Governmental Unit in order to maintain such exclusion.

18. This Loan Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. Each party agrees that it will execute any and all documents or other instruments, and take such other actions as may be necessary to give effect to the terms of this Loan Agreement.

19. No waiver by either party of any term or conditions of this Loan Agreement shall be deemed or construed as a waiver of any other terms or conditions, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase, or other provision of this Loan Agreement.

20. This Loan Agreement merges and supersedes all prior negotiations, representations, and agreements between the parties hereto relating to the subject matter hereof and constitutes the entire agreement between the parties hereto in respect hereof.
