H. Non Public Session 91-A:3 (II) (c)

1. Personnel Matter

Rules for a non public session 91-A:3 (II)*

- II. Only the following matters shall be considered or acted upon in nonpublic session:
 - (a) The <u>dismissal, promotion, or compensation</u> of any public employee or the disciplining of such employee, or the investigation of any charges against him or her, unless the employee affected (1) has a right to a meeting and (2) requests that the meeting be open, in which case the request shall be granted.
 - (b) The hiring of any person as a public employee.
 - (c) Matters which, if discussed in public, would likely <u>adversely affect the reputation</u> of any person, other than a member of the public body itself, unless such person requests an open meeting. This exemption shall extend to any application for assistance or tax abatement or waiver of a fee, fine, or other levy, if based on inability to pay or poverty of the applicant.
 - (d) Consideration of the <u>acquisition</u>, <u>sale</u>, <u>or lease of real or personal property</u> which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.
 - (e) Consideration or negotiation of <u>pending claims or litigation</u> which has been threatened in writing or filed by or against the public body or any subdivision thereof, or by or against any member thereof because of his or her membership in such public body, until the claim or litigation has been fully adjudicated or otherwise settled. Any application filed for tax abatement, pursuant to law, with any body or board shall not constitute a threatened or filed litigation against any public body for the purposes of this subparagraph.
 - (f) [Repealed.]
 - (g) Consideration of <u>security-related issues</u> bearing on the immediate safety of security personnel or inmates at the county or state correctional facilities by county correctional superintendents or the commissioner of the department of corrections, or their designees.
 - (h) Consideration of <u>applications by the business finance authority</u> under RSA 162-A:7-10 and 162-A:13, where consideration of an application in public session would cause harm to the applicant or would inhibit full discussion of the application.
 - (i) Consideration of matters relating to the preparation for and the carrying out of <u>emergency functions</u>, including training to carry out such functions, developed by local or state safety officials that are directly intended to thwart a deliberate act that is intended to result in widespread or severe damage to property or widespread injury or loss of life.
 - (j) Consideration of <u>confidential</u>, <u>commercial</u>, <u>or financial information</u> that is exempt from public disclosure under RSA 91-A:5, IV in an adjudicative proceeding pursuant to RSA 541 or RSA 541-A.
 - (k) Consideration by a school board of entering into a student or <u>pupil tuition contract</u> authorized by RSA 194 or RSA 195-A, which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general public or the school district that is considering a contract, including any meeting between the school boards, or committees thereof, involved in the negotiations. A contract negotiated by a school board shall be made public prior to its consideration for approval by a school district, together with minutes of all meetings held in nonpublic session, any proposals or records related to the contract, and any proposal or records involving a school district that did not become a party to the contract, shall be made public. Approval of a contract by a school district shall occur only at a meeting open to the public at which, or after which, the public has had an opportunity to participate.
 - (I) Consideration of <u>legal advice provided by legal counsel</u>, either in writing or orally, to one or more members of the public body, even where legal counsel is not present.

(m) Consideration of <u>whether to disclose minutes of a nonpublic session</u> due to a change in circumstances under paragraph III. However, any vote on whether to disclose minutes shall take place in public session.

The development and adoption of policies that govern the School District is one of the School Board's most important functions. Board policies establish the goals, direction and structure of the district under the authority of applicable statutes and regulations. In addition to policies required by state and federal laws and regulations, the Board adopts policies to provide direction to the Superintendent and other administrators in the management of the district, to guide the education program, and to provide clear expectations for school staff, students and parents.

Board policies are intended to provide the framework for district operations and the educational system. In general, the operational details as to how policies will be implemented are contained in administrative procedures developed by the administration. However, the Board may adopt administrative procedures concerning its own operations, or when an issue is of sufficient legal importance to warrant a Board-level procedure.

- A. <u>Policy Committee Responsibilities and Meetings</u>. The Board's Policy Committee with the advice and counsel of the Superintendent, is responsible for recommending policies and policy actions to the full Board for its consideration, including adopting new policies, revising existing policies and deleting obsolete policies.
- B. <u>Policy Committee Meetings and Agendas.</u> The Superintendent or his/her designee, in consultation with the Policy Committee Chair shall prepare all agendas for the meetings of the Policy Committee.
- C. <u>Review of Existing Manual</u>. The Policy Committee shall establish a schedule for reviewing existing Board policies, and forming recommendations regarding the same for the Board.
- D. Procedures for Policy Development and Review,
 - 1. Individual Board members, Board standing or special committees, the Superintendent or other interested persons may submit policy suggestions, concerns, and/or drafts to the Policy Committee, in care of the Superintendent.
 - 2. The Superintendent or designee is responsible for notifying the Board and the Policy Committee of all policy updates and revisions provided by the New Hampshire School Boards Association. The Policy Committee will review such updates and make recommendations deemed appropriate under this policy.
 - 3. The Policy Committee, with the assistance of the Superintendent, will review and research policy suggestions and prepare draft policies, as appropriate. The Policy Committee may delegate research and initial drafting to other Board standing committees, to District staff or others at the discretion of the Policy Committee and the Superintendent. (E.g., a policy concerning computer use may first be delegated to the Technology Committee.) If a policy is referred to a committee, staff, professional or other person for initial review/drafting, the policy shall be reviewed by the Policy Committee before submission to the full Board.

Category: Recommended

- 4. The Superintendent should seek counsel of the School Board's attorney or the New Hampshire School Boards Association when there may be a question of legality or proper legal procedure in the substance of any proposed or current board policy.
- 5. The Policy Committee may also seek input from other affected persons and/or groups as appropriate.
- 6. The Policy Committee will provide a report to the full board as needed and at least annually. The reports will include the Policy Committee's recommendations for new policies (including full text of policies/revisions to be considered for action by the Board), as well as recommendations for repeal of existing policies. Policy Committee reports should also include any information requested by the full board, and any other information deemed appropriate by the Policy Committee.
- E. <u>Board Actions Required to Approve, Revise or Repeal Policies</u>. Any final action regarding the approval of a new policy, or revision or repeal of an existing policy, requires a majority vote of a quorum of the board at a public meeting.
 - 1. Policy Committee reports shall be placed on the agenda of a regular Board meeting and will be made part of the agenda package for that meeting.
 - 2. All new policies, and/or revisions to existing board policies are subject to a "first reading" by the full board to occur at a regular board meeting. (There is no requirement that proposed policies/revisions be read aloud at the meeting, although either a majority of the Board or the Chair may determine that actual reading is appropriate).
 - 3. The Board will allow opportunity for public comment on policy proposals per Board policy BEDH.
 - 4. Any changes agreed upon or requested by the Board during the first reading shall be made by the Policy Committee (or delegated to the Superintendent) prior to the second reading.
 - 5. At the next Board meeting (or a later meeting if so agreed by the Board), the policy shall be placed on the agenda for a second (or additional) reading, and action. Amendments may be made and acted upon at that meeting, or may be referred for further revision, etc.
 - 6. Prior to final approval by the Board, each policy will be titled, dated, and coded consistent with the classification system used by the New Hampshire School Boards Association.
 - 7. Board action regarding the adoption, revision or repeal of policies will be included in the minutes of the meeting at which the official action is taken.

Category: Recommended

8. Approved policies become effective immediately unless the motion to approve the policy, or the policy itself, includes a specific implementation date.

F. Minor Revisions by Policy Committee.

The Board authorizes the Policy Committee to make non-substantive corrections and minor changes to existing policies provided that the Policy Committee shall document such modifications. For the purposes of this policy, "non-substantive changes" shall include: grammatical, typographical or other clerical changes; addition or deletion of legal, cross or other references; policy code or policy class designation changes; or correcting mis-identified or modified job titles (e.g., "school counselor" in place of "guidance counselor").

G. Suspension or Waiver of Policy Process.

- 1. The Board may adopt, amend, or repeal written policies at any meeting by a majority vote of Board members in attendance, provided that public notice of the proposed action was given in accordance with Policy BEA or Policy BEB and that each Board member was notified of the proposed action. For purposes of notification, a meeting agenda delivered to each Board member is deemed sufficient if it identifies the policy to be acted upon.
- 2. On matters of unusual or unexpected urgency, the Board may waive the second meeting limitation and take immediate action to adopt a new policy, or to suspend or revise an existing policy. In such instances, the meeting minutes should reflect the nature of the circumstances warranting the suspension of the normal procedures.

H. Policy Dissemination, Records and Manual Updates.

- 1. All Board policies, and any written administrative rules and regulations implementing such policies constitute governmental records and are subject to the provisions of RSA 91-A.
- 2. Notice of new, revised and deleted policies should be provided to affected groups (i.e., school staff, students, parents) and posted on the district website and by other such appropriate means determined by the Superintendent.
- 3. The Superintendent shall retain as government records copies of all policies deleted from the Board policy manual.
- 4. An up-to-date policy manual shall be maintained on the District's website-with a hard copy, in the Superintendent's Office. The Superintendent shall also ensure that all any hard copies of the District's policy manual are recalled annually and updated as appropriate.

PELHAM SCHOOL DISTRICT POLICY FAA – ANNUAL FACILITY PLAN & UNUSED DISTRICT PROPERTY

Category: Recommended

A. **<u>Drafting and Adoption</u>** The School Board shall adopt and approve an Annual Facility Plan by June 1 of each year.

The Facility Plan shall be developed and drafted by the Director of Facilities, and it shall be proposed to the School Board for comment and adoption at least 30 days prior to the adoption deadline articulated above.

- B. Contents of Facility Plan In preparing the annual Facility Plan, due consideration will be given to the most recent Capital Improvement Program prepared pursuant to Board policy FA. The Facility Plan shall account for each facility owned by the District and document the use of each such facility. For each then unused facility, the plan shall specify any uses intended within the next two years of the annual plan approval relative to academic purposes, extracurricular activities, administrative functions, and/or sports. Facilities for which no current or intended use is included on the plan shall be referred to in this policy as "Unused Facilities".
- C. <u>"Unused Facility" Defined</u> As used in the policy, "Unused Facility" or "Unused Facilities" shall mean any district owned school building which is not currently used for academic purposes, extracurricular activities, administrative school functions, or sports, and for which the School Board has not approved a written plan for future use.
- D. <u>Annual Report to N.H. Department of Education</u> The Superintendent shall submit a report of Unused Facilities to the New Hampshire Department of Education no later than July 1 of each year.

E. Charter School Rights Relative to Unused Facilities

- 1. <u>Right of First Refusal</u> Pursuant to RSA 194:61, such Unused Facilities are encumbered by a right of first refusal ("ROFR") available to every approved charter school operating in New Hampshire. If the District has an Unused Facility which it seeks to sell or lease to a party other than an approved charter school, the District will include a ROFR provision in the offer for sale/lease and/or a sale/lease contract.
- 2. Conditional Contract for Sale/Lease If a prospective purchaser which is not an approved charter school enters into a contract with the District for purchase, lease or sale, (that is, an offer to sell/lease by the District is accepted by the prospective purchaser), the contract (the "Original Contract") will be conditioned upon the expiration of the ROFR. It is essential that the prospective purchaser or lessee is made aware of the ROFR prior to execution of the Original Contract, and that the Original Contract clearly articulates the ROFR with specific reference to RSA 194:61. The District will promptly notify the Charter School Administrator of the Department of Education ("DOE Charter School Administrator") in order for the

Department to alert all approved charter schools in the state and allow them a chance to respond. The notice provided to the DOE Charter School Administrator shall contain clear language that the Unused Facility is available to any approved chartered public school in this state only, and shall list the offering school district's name and location, the square footage of the Unused Facility, the contact information of the offering school district's representative, and the expiration date of the right of first refusal which shall be 60 days after the date of the date the District provideds notice to the DOE Charter School Administrator.

- 3. <u>Charter School Rights if No Other Offer Received</u> If the offering school district has not received an offer to purchase or lease an Unused Facility from a party, other than an approved chartered public school operating in this state, a chartered public school may initiate, and Board shall engage in, good faith negotiations for the purchase or lease of the Unused Facility.
- 4. <u>Invocation of Rights by One or More Approved Charter Schools</u> If the District receives an offer on an Unused Facility from an approved charter school prior to the expiration date of the ROFR, the District will respond promptly to the offer and notify the prospective purchaser under the Original Contract and engage in good faith negotiations. If more than one chartered public school makes an offer on the District's Unused Facility, the School Board will make the final selection between the parties based on criteria established by the School Board and in accordance with the best interests of the District.
- 5. <u>Procedure for Resolution of Negotiation Impasse</u> A chartered public school that makes an offer shall have 6 months after the date of making a written offer to complete the purchase or lease of the Unused Facility for a price which the District has agreed upon.
 - The District must continue good faith negotiations with a charter school that has made an offer on an Unused Facility for at least 30 days unless an earlier agreement is reached. If no agreement is reached within the 30 days, the Commissioner of the Department of Education shall engage an independent mediator who shall gather independent appraisals of the value of the property when the chartered public school made an offer to purchase. The appraised value shall determine a fair market price for the offering chartered public school. In situations when the charter school made an offer to lease the property, the appraisals gathered by the mediator shall determine a fair market lease price for the offering chartered public school.
- 6. <u>District Discretion</u> In right of first refusal negotiations with a chartered public school, it shall be the option of the Board whether to sell or to lease the property under consideration, at fair market value or less, for a term to be agreed upon by the parties. Any lease terms shall include, among others agreed upon by the parties, any required provisions for such leases as found in RSA 194:61.

Related Policies: JI, JIC, JICI & JICK

A. Policy Statement

This Policy uses "Code of Conduct" to collectively reference District policies and procedures related to "rules of conduct," and "penalties for misbehavior" as defined in Ed 306.04(f) and (g), which require this information to be disseminated to parents and guardians. Ed 306.06 further requires the fair and consistent implementation of a "code of discipline."

This policy establishes the substantive parameters, procedures, and due process that shall apply before a student may be subject to temporary (same day) removal from classrooms or activities, restriction from activities, detentions, suspensions, and/or expulsion. Pursuant to Board policy JIC, response to misconduct, including disciplinary measures and consequences should be designed to maximize student academic, emotional, and social success, while at the same time assuring safety of all students, staff, and school visitors. Administration of any of the consequences described in this policy shall be consistent with the system of supports and graduated sanctions established pursuant to Policy JIC and the applicable Code of Conduct.

B. Standards and Procedures Relative to Disciplinary Consequences

1. **Removal from the classroom** means a student is sent to the Principal's office or other designated area during the same school day. It is within the discretion of the person in charge of the classroom or activity to remove the student.

Students may be removed from the classroom at the classroom teacher's discretion, after consultation with administration, if the student refuses to obey the teacher's directives, becomes disruptive, fails to abide by school or District rules, or the Code of Conduct, or otherwise impedes the educational purpose of the class. Before ordering the removal, the staff member ordering the removal shall warn the student of the infraction and allow the student to respond.

Removals are not appealable.

2. <u>Restriction from school activities</u> means a student will attend school and classes, but will not participate in other school extra-curricular activities, including such things as competitions, field trips, and performances. A student who has been restricted from school activities may participate in practices at the discretion of the person imposing the restriction.

Before ordering the restriction, the supervising employee (e.g., teacher, coach, director, Principal, etc.) ordering the restriction shall warn the student of the infraction and allow the student to respond. If the restriction is immediate and outside of school hours, provision must be made to ensure the student is not left unsupervised. The terms of the restriction shall be communicated to the Principal and the student's parent/guardian.

Restrictions under this policy are not appealable.

Category: Priority

3. <u>Detention</u> means the student's presence is required for disciplinary purposes before or after the hours when the student is assigned to be in class, and may occur on one or more Saturdays.

Students may be assigned classroom detention at the classroom teacher's discretion, and building detention at the Principal's discretion, if the student refuses to obey the teacher's/employee's directives, becomes disruptive, fails to abide by written printed classroom, school or District rules, or the Code of Conduct, or otherwise impedes the educational purpose of the class. Before ordering the detention, the staff member ordering the detention shall warn the student of the infraction and allow the student to respond. Parents/guardians shall be notified verbally prior to a student serving detention.

Generally, detentions before or after school shall not exceed one hour, and extended Saturday detentions shall not exceed three hours. The building Principal is authorized to establish, announce, and post additional guidelines and rules regarding detention, supervision, building access, etc.. The length and timing of the detention is within the discretion of the employee disciplining the student or the building Principal, pursuant to the posted rules of the school.

Detentions are not appealable.

4. <u>Temporary Reassignment or In-school Suspension</u> means the student will attend school but will be temporarily isolated from one or more classes while under supervision. A temporary reassignment should not exceed five consecutive school days. Parents/guardians shall be notified verbally at least 24 hours prior to a temporary reassignment or In-school Suspension with a written follow up.

The Principal is authorized to issue reassignment, restrictions from activities, or place a student on probation for repeated failure to conform to the Code of Conduct, classroom rules, or for any conduct that causes material or substantial disruption to the school/class environment, interferes with the rights of others, presents a threat to the health and safety of students, employees, or and visitors, is otherwise inappropriate, or is prohibited by law.

- 5. **Probation** means a student is given a conditional suspension of a penalty for a definite period of time in addition to being reprimanded. The conditional suspension will mean the student must meet the conditions and terms for the suspension of the penalty. Failure of the student to meet these conditions and terms will result in reinstatement of the penalty. Notwithstanding the assignment of probation, no imposition of the suspended consequence may be administered unless and until all of the provisions of this policy applicable to the suspended consequence (i.e., long-term suspension, expulsion, etc.) are satisfied. The building principal is authorized to place a student on probation for any of the reasons stated in paragraph 4, above.
- 6. **Out-of-school suspension** means the temporary denial of a student's attendance at school for a specific period of time. It includes short-term and long-term out-of-school suspensions.
 - a. <u>Short-term suspension</u>. A short-term suspension means an out-of-school suspension of ten (10) consecutive school days or less. RSA 193:13, I (a).

Category: Priority

The Superintendent or his/her written designee is authorized to suspend a student for ten (10) school days or less.

A short-term suspension may be imposed only for:

- i. Behavior that is detrimental to the health, safety, or welfare of pupils or school personnel (including, but not limited to, an act of theft, destruction or violence, as defined in RSA 193-D:1); or
- ii. Repeated and willful disregard of the reasonable rules of the school that is not remediated through imposition of the district's graduated sanctions described in JIC and the Code of Conduct.

Pursuant to RSA 193:13, XI(b) and Board policy JIC, a short-term suspension over 5 days must conform to the standards included in the Code of Conduct.

Before any short-term suspension may be imposed, a student is entitled to the minimum due process (notice before meeting of the charge and explanation of evidence, notice of the possibility of suspension, opportunity for the student to respond, and a written decision explaining the disciplinary action taken). See New Hampshire Department of Education Rule Ed 317.04 (e)(f)(1).

b. <u>Long-term suspension</u>. A "long-term suspension" is the extension or continuation of a short-term suspension for a period **not to exceed an additional 10 days** beyond the duration of the short-term suspension.

The Superintendent is authorized to continue the suspension and issue a long-term suspension of a pupil for a period in excess of ten (10) school days, provided only if the Superintendent issued the original short-term suspension, the School Board must either appoint another person to continue the short-term suspension and issue the long-term suspension (in accordance with the procedures set forth in Ed 317.04 (f) and 317.04 (j), or do so itself. may designate another person to continue the short-term suspension and issue the long-term suspension.

A long-term suspension may only be imposed for:

- i. an act that constitutes an act of theft, destruction, or violence, as defined in RSA 193-D;
- ii. bullying pursuant to Board policy JICK when the pupil has not responded to targeted interventions **and** poses an ongoing threat to the safety or welfare of another student; or
- iii. possession of a firearm, BB gun, or paintball gun.

Prior to a long-term suspension, the student will be afforded a hearing on the matter. The informal hearing need not rise to the level and protocol of a formal hearing, but the process must comply with the requirements of Ed 317.04(f)(2), and 317.04 (j)(f)(3)(g), including, without limitation, the requirements for advance notice and a written decision.

Category: Priority

c. <u>Appeal of long-term suspension</u>. Any long-term suspension issued other than by the School Board under this policy, is appealable to the School Board, provided the Superintendent or School Board chair receives the appeal in writing within ten (10) days after the issuance of the Superintendent's *[or other person designated under B.6.b, above]* hearing and written decision required under N.H. Dept. of Education Rule Ed. 317.04 (f)(2 3)e, and sub-paragraph B.6.b, above. The Board shall hold a hearing on the appeal, but will rely upon the record of the decision being appealed from.

Any suspension in excess of ten (10) school days shall remain in effect while this appeal is pending unless the School Board stays the suspension while the appeal is pending. Any request to stay a long-term suspension should be included in the original appeal.

- d. <u>Educational Assignments</u>. As required by RSA 193:13, V, educational assignments shall be made available to students during both short- and long-term suspensions.
- e. <u>Alternative Educational Services</u>. The school shall provide alternative educational services to a suspended pupil whenever the pupil is suspended **in excess of 20 cumulative days** within any school year. The alternative educational services shall be designed to enable the pupil to advance from grade to grade.
- f. <u>Re-entry Meetings and Intervention Plans</u>. Prior to returning to regular classes, the building Principal or designee shall meet with a parent/guardian (when available) to assist the student in smoothly returning to the school.
 - Any time a pupil is suspended more than 10 school days in any school year, upon the pupil's return to school, the District shall develop an intervention plan designed to proactively address the pupil's problematic behaviors by reviewing the problem behavior, re-teaching expectations, and identifying any necessary supports.
- g. <u>Attendance Safe Harbor</u>. A student may not be penalized academically solely by virtue of missing class due to a suspension.
- 5. "<u>Expulsion</u>" means the complete denial of a pupil's attendance at school for any of the reasons listed in RSA 193:13, II and IV. An expulsion may be for either a stated duration or permanent.
 - a. <u>Grounds for Expulsion</u>. Any pupil may only be expelled by the School Board, and only for the following grounds. An expulsion may only be imposed for an act that poses an ongoing threat to the safety of students or school personnel AND that constitutes:
 - i. A repetition of an act that warranted long-term suspension under section B.6.b, above;
 - ii. Any act of physical or sexual assault that would be a felony if committed by an adult;

Category: Priority

- iii. Any act of violence pursuant to RSA 651:5, XIII;
- iv. Criminal threatening pursuant to RSA 631:4, II(a); or
- v. For bringing or possessing a firearm as defined in Section 921 U.S.C. Title 18 within a safe school zone as prohibited under RSA 193-D:1, or under the Gun Free School Zones Act, unless such pupil has written authorization from the Superintendent.

Before expelling a pupil, the Board shall consider each of the following factors:

- (1) The pupil's age.
- (2) The pupil's disciplinary history.
- (3) Whether the pupil is a student with a disability.
- (4) The seriousness of the violation or behavior committed by the pupil.
- (5) Whether the District has implemented positive behavioral interventions under paragraph B.6.b.ii, above V.
- (6) Whether a lesser intervention would properly address the violation or behavior committed by the pupil.
- b. <u>Due Process to Be Afforded Prior to Expulsion</u>. Prior to any expulsion, the District will ensure that the **due process standards set forth in Ed 317.04(f)(3) through 317.04 (j) (m)** are followed.
- c. <u>Duration of Expulsion</u>. An expulsion will run for the duration stated in the written decision or until the School Board or Superintendent restores the student's permission to attend school as provided in this policy. An expulsion relating to a firearm in a safe school zone per B.7.a.v, shall be for a period of not less than 12 months.
- d. <u>Educational Services</u>. The Superintendent is authorized, but not required, to arrange for educational services to be provided to any student residing in the District who has been expelled by the District or by any other school.

C. Modification or Reinstatement After Suspension or Expulsion

Expelled or suspended students may request a modification of, or reinstatement from, an expulsion or suspension as provided below. Except for students establishing residency from out-of-state, requests for modification or reinstatement from expulsion/suspension shall be submitted in writing to the Superintendent no later than August 15. The request should set forth the reasons for the request, and include additional information to establish that it is in the best interest of the student and school community to modify the expulsion/suspension or to reinstate the student. Such additional information may include such things as work history, letters of reference, medical information, etc. All reinstatements shall include an Intervention Plan as described in paragraph B.6.f, above, including such conditions as the reinstating authority (Superintendent or Board) deem appropriate.

1. <u>Modification by Superintendent</u>. Subject to all other applicable laws, regulations and Board policies, and paragraph C.3, below (relating to firearms), the Superintendent is

Category: Priority

authorized to reinstate any student who has been suspended or expelled from a school in this District, and or enroll a student suspended or expelled from another school or district, on a case-by-case basis.

- 2. Review and Reinstatement by Board. A student may request the School Board (of the district of attendance) to review an expulsion decision prior to the start of each school year by filing a written request with the Superintendent detailing the basis of the request. The Board will determine whether and in what manner it will consider any such request after consultation with the Superintendent.
- **3.** Modification of Expulsion for Firearms. A student who has been expelled from this District or any other public or private school for bringing or possessing a firearm in a safe school zone as prohibited under RSA 193-D:1, or under the Gun Free Schools Act, may only be reinstated or enrolled if the Superintendent first determines: possession of the firearm was inadvertent and unknowing; the firearm was for sporting purposes and the student did not intend to display the firearm to any other person while within the safe schools zone; the student is/was in the fifth or lower grade when the incident occurred; or the Superintendent determines that the firearm was not loaded, and that no ammunition was reasonably available; and that the pupil had no intention to display the firearm to other students.

Additionally, the School Board may enroll a student expelled from a school outside of New Hampshire for a violation of the Gun Free Schools Act upon the student establishing residency.

D. Appeals to State Board of Education

Any decision by the Board (i) to expel a student, (ii) not to reinstate a student upon request, or (iii) enroll a student from another state who had been expelled for a violation of the Gun Free Schools Act, may be appealed to the State Board of Education at any time that the expulsion remains in effect, subject to the rules of the State Board of Education.

E. Sub-committee of Board

For purposes of sections B.6 and B.7 of this policy, "Board" or "School Board" may either be a quorum of the full Board, or a subcommittee of the Board duly authorized by the School Board.

F. Superintendent and Principal Designees

Except where otherwise stated in this policy, the Superintendent may delegate any authority s/he has under this policy, and a Principal may delegate any authority s/he has under this policy, to other appropriate personnel.

G. Disciplinary Removal of Students with Disabilities

If a student is disabled under the Individuals with Disabilities Education Act (IDEA), the New Hampshire RSA 186-C, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, or any other law providing special rights to disabled students, those

Category: Priority

laws shall govern and shall supersede District policies to the extent they may be inconsistent with those laws. Accordingly, any suspension or expulsion of a child with a disability as defined in Ed 1102.01(t) shall be in accordance with Ed 1124.01.

H. Notice and Dissemination

This policy shall be made available to families, students and staff as provided in Board policy JIC.

I. Conflict in Law or State Regulation

If any provision of this policy conflicts with State or Federal law, or regulation of the New Hampshire Department of Education, then such law or regulation shall apply, and the remainder of the policy shall be read and interpreted to be consistent with the law or regulation. School administrators and families are strongly encouraged to review the links for pertinent statutes and laws referenced herein.

and Darlene Greenwood

Superintendent: Chip McGee

Assistant Superintendent: Sarah Marandos

Business Administrator: Deb Mahoney

Student Representatives: Mya Belanger and Alexia Nou

Absent: David Wilkerson

Also in Attendance: Erin Henderson, Library Media Specialist; Alison Bowman, English Teacher; Katie Ralls,

FACS Teacher; and PMS Principal Zack Medlock **Students:** Tristen Manchester; Kaelin Shanahan; Adam Price; and Cameron Marvin

I. Public Session:

A. Call to Order:

6:30 p.m. - Chair Troy Bressette called the meeting to order, followed by the Pledge of Allegiance.

II. Opening Remarks:

A. Superintendent:

Superintendent McGee began the meeting with opening remarks. He first highlighted an upcoming community event: the grand reopening celebration of the Pelham Memorial School on Saturday. The ceremony will be held in the gym at noon, followed by building tours from 12:30 p.m. to 3:00 p.m. He encouraged community members to attend, noting it would be fun.

Next, Dr. McGee mentioned that the school had an early release today to facilitate Professional Development. He acknowledged that early releases can be inconvenient but stressed the importance of the training conducted. This year's Professional Development focused on annual suicide prevention and response training. Trainers from the National Alliance on Mental Illness (NAMI) in New Hampshire led the session at PES, addressing these difficult but essential topics. Additionally, the year's first 'Trust Survey' was completed during the day.

Dr. McGee shared a personal observation about Spirit Week at PHS, during which many students wore denim head-to-toe as part of the day's theme. He also previewed upcoming Homecoming events, including a football game on Friday and another game on Saturday.

Dr. Marandos announced that the Professional Development that occurred today for elementary and middle school will flip-flop at the next early release day in October. She noted that a special event is happening next Monday at 6:00 p.m. Lynn Lyons, a renowned speaker who has been featured on Good Morning America, will deliver a free presentation titled "From Stressed to Smart: What Parents Need to Know and Do About Worry, Anxiety, and Depression." Dr. McGee encouraged everyone to attend, emphasizing the value of Ms. Lyons' insights.

Mr. Bressette thanked Dr. McGee and Dr. Marandos for their updates, noting that the information sounded useful and practical. Mr. Bressette especially acknowledged Lynn Lyons, mentioning her previous presentations as impressive, and thanked Dr. Marandos and the team for arranging her return.

September 25, 2024 1

B. Student Representatives:

Ms. Nou noted that this week is particularly busy due to Homecoming and Spirit Week. She mentioned that today was Denim Day, and a rally at PHS will be on Friday. Following the rally, there will be a Homecoming football game, and the Homecoming dance will take place on Saturday.

Ms. Belanger shared that her personal favorite event during Spirit Week was the student and teacher swap. She found it amusing to see teachers wearing sweatpants.

IV. Main Issues:

During the meeting, the Board considered approving an overnight field trip for student government students. Erin Henderson and Alison Bowman, along with two students, Kaelin Shanahan and Tristen Manchester, were present to provide details. Ms. Henderson, the school's library staff member and student government advisor for six years, introduced the group. She was accompanied by Ms. Bowman, the newly appointed co-advisor, and two juniors. Ms. Henderson noted that both students attended the trip last year and were invited to share their experiences with the Board.

Kaelin and Tristen explained the impact of the previous year's trip, highlighting the creation of the Winter Carnival, which featured various activities such as a pancake bar, karaoke party, and games throughout the school. The day concluded with a pep rally, which was highly successful. Tristen emphasized how much they learned from interacting with other schools and noted that the trip was educational, fun, and an excellent opportunity to socialize. Both students appreciated the speaker and recalled that the conference's theme involved 'Keys to Success.' They also conducted an interview with the speaker, Ted, and offered to share the video with the Board.

84

85

86

Ms. Henderson continued by explaining that last year's group, consisting of four sophomores and one freshman, gained valuable insights from the mostly older participants at the event. The school is part of the New Hampshire Association of Student Councils, which organizes the conference. Ms. Henderson also acknowledged an administrative error that delayed the receipt of communication from the organization due to a late payment. However, the issue had been resolved.

87 88 89

Mr. Bressette expressed his comfort with approving the trip based on general information and a proven track record. Ms. Henderson mentioned that this year's conference theme is "Take an Oath to Personal Growth" and that they plan to bring approximately ten students, depending on interest.

91 92 93

90

The cutoff date for signing up for the conference is October 15.

94 95 96

97

98

As the discussion progressed, Ms. Henderson shared that last year's trip had inspired the implementation of the Winter Carnival and a field day at the end of the school year, which had a significant positive impact. She recounted how students enthusiastically participated in activities, including petting baby goats, and how these events fostered a sense of community and connectedness among the students.

99 100

The Board members praised Kaelin and Tristen for their leadership and willingness to speak before the Board, emphasizing how their contributions aligned with the District's goal of student connectedness. After further discussion, Mr. Bressette called for a motion to approve the overnight field trip for student government.

102 103 104

Ms. Greenwood moved to accept the proposal for the overnight trip for student government. Ms. Cummings seconded the motion. The motion passed (4-0-0).

Ms. Henderson raised a question regarding the trip's chaperone policy, specifically whether it was necessary to have both male and female chaperones since other schools involved would also provide chaperones of both genders. The possibility of an exception to allow only two female chaperones, Ms. Henderson and Ms. Bowman, was discussed. Ms. Henderson shared her experience of chaperoning the trip solo last year with five male students and requested approval to proceed similarly. After some conversation, it was agreed that further discussion was needed on the policy.

B. PMS Cell Phone Pouches Update

Next on the agenda was an update on the Yondr pouch implementation at PMS. Principal Zach Medlock was invited to present the findings. He began by introducing students Cameron Marvis and Adam Price and FACS Teacher Katie Ralls. Mr. Medlock then shared his initial data, specifically focusing on student bathroom sign-outs, discipline referrals, and the general atmosphere in the school since the Yondr pouch was implemented.

Early Data Findings:

- a. Last year, there were **718 office referrals**. This year, there have been **40 referrals in 16 days**, which projects **450 referrals over 180 days** for the school year.
- b. Last year, 27 phone violations were submitted through the office referral form; this year, there has been **one phone violation** to date.
- c. There were 15 bathroom violations last year and one so far this year.
- d. The school is working on effectively analyzing data on bathroom sign-outs and plans to share these insights later in the school year.

Overall, the school environment seemed calmer, with less roaming in the halls and fewer disruptions. He expressed optimism about collecting more data, including grades and test scores, as the year progressed.

A survey was distributed from September 8 to September 15 to gather feedback on the Yondr pouch implementation. However, only three students responded, so the results were not considered a large enough sample to draw significant conclusions. Mr. Medlock noted that teachers and parents had generally provided positive feedback, but parent responses were mixed, with opinions ranging from complete support to opposition.

Survey Takeaways:

- a. Overall, both parents and teachers strongly support the program.
- b. However, there are areas for improvement in gaining further parental investment in the program.

The floor was then opened to Cameron Marvin, an eighth-grade student, who shared his experience with the new cell phone plan.

The letter read, "Good Evening. Thank you to Dr. McGee, Dr. Marandos, Mr. Medlock, and School Board members for allowing me to speak tonight.

September 25, 2024 3

My name is Cameron Marvin, and I am an 8th grader at Pelham Memorial. I wanted to share my experience with the new Yondr pouches so far.

My class has seen a lot of change within the school since our first day in 6th grade. This is our first year without construction or renovations. With that construction, there were a few distractions. However, I feel the distractions inside the classroom were worse. Any distractions from construction were small and gave us a great new school. The distractions from phones in the classroom do not have benefits.

I am a teenager, so I definitely do not like getting up for school every single day, but once I am there, I like school. I like our school, and I really like our teachers. The distractions I mentioned were mostly with other kids using the phone, and then they had to be spoken to. Sometimes, this would be multiple times, and it is frustrating when class has to stop so much. The teachers are trying to talk, but they would have to keep stopping because they caught someone using their phone. It made it really hard to focus on what they were saying or to work on independent work.

Kids would have their phones open and check Snapchat, show videos and text, or sometimes take photos or videos. It was every day. When you go into the bathroom, there will always be someone on the phone or a group of people using them. Since Yondr started, classes have been much calmer this year.

The temptation to sneak on the phone is not there because no one can access it. The kids are not getting in trouble as much, and the teachers can teach the whole class without having to stop to tell someone to put their phone away or send them to the office. The good thing is that not just one person is punished with their phone taken away. Everyone is equal and has to do the same thing with their phone. No one has that pressure.

When people ask me how it is going, the main description I can give is that it's more peaceful. There is a big weight lifted off our shoulders. The phones are out of sight, and everyone knows it, so it makes the day much calmer. I love that when the teacher is talking, I can pay attention more. I used to leave school some days stressed out because I couldn't focus in class. With all the TikTok's being made, videos taken, and all the kids sneaking their phones, it was stressful when trying to pay attention. I could tell the teachers did their best to stop it, but a 13-year-old is really good at hiding it. I am not really sure how they could ever teach if they were looking for phones the whole class.

In the beginning, kids were very annoyed about it, but that is because we didn't know enough about it. I am on the football team here in town, as well as baseball and band. Because of that, I have a group of different friends and teammates. Many of those I have heard opinions from do not mind and say they appreciate it now.

The fact that the pressure of the temptation to use the phone (even for a quick second) is gone makes things much calmer.

The office always allows us to call a parent if we need to talk to them about something important, like rides home or if something is canceled after school, so that is something the kids and parents can feel good about.

I know this isn't an official survey, but when talking to my friends, they don't really mind it anymore. I really feel like the pouches will benefit us all, and the future classes moving up.

Thank you"

Mr. Bressette expressed gratitude to Cameron for his courage in sharing his thoughts. Following Cameron's remarks, he provided a brief explanation regarding how the phone pouches work. He stated that each student is assigned a pouch in which they place their phone, and it remains sealed throughout the day. Unlocking the pouches at the end of the day takes less than a minute.

Ms. Cummings expressed disappointment about the low student survey participation, with some members suggesting alternative methods for future surveys, including anonymous in-school surveys to encourage higher

September 25, 2024 4

response rates. The logistics of ensuring anonymity and the legal requirements to provide notice to parents before administering non-academic surveys were discussed.

The discussion ended with a consensus to continue collecting data and conducting surveys while maintaining transparency with parents and students. Further check-ins will be scheduled to evaluate the Yondr pouches iongoing effectiveness.

Mr. Abare raised a question, asking for clarification about the consequences of not putting a phone in the Yondr pouch. He asked, "What happens if someone doesn't put their phone in the pouch?" Cameron explained that if a student is caught with their phone outside the pouch without permission, the consequence would likely be detention. Mr. Bressette commented that the District has a comprehensive progressive discipline program outlined in the Handbook. Mr. Medlock said the first step is usually a warning, with a call home to inform the parents. Subsequent violations would lead to detention and then suspension. The goal is to change the student's behavior.

Mr. Abare asked another question about last year's situation before introducing the Yondr pouches. He asked Cameron to paint a scenario of why monitoring students using cell phones was difficult while a teacher was teaching. Cameron explained that students would often be on their Chromebooks, but some would also secretly be on their phones. At any given time, at least six students in a class could use their phones, making it difficult for teachers to maintain control and focus.

Mr. Medlock gave the example of a student being caught using their phone in class. The discussion centered on how students, particularly 13-year-olds, are skilled at hiding their phones and pushing boundaries. He mentioned that even at home, it is common for teenagers to test limits, and the same behavior is seen in the classroom.

Ms. Ralls mentioned that there were typically **20 to 25 students** in the classroom who regularly used their phones. Many teachers favored implementing a plan like the one used at PES, as students were already accustomed to keeping their phones in their bags, making the transition to the new plan smooth.

In the mornings, students place their phones away, organized by number, which has become routine. For special cases, such as students with medical needs, their phones are treated accordingly. Students can access their phones at **2:10 p.m.**, most completing this process by **2:12 p.m.** The procedure has proven efficient, and students can check their notifications between **2:12 p.m.** and **2:15 p.m.** before boarding the bus.

Feedback from 8th-grade students indicated that they feel more engaged in class, claiming they "have never learned so much." Teachers also observed less bullying and vandalism, which they attributed to the reduced distraction from phones. Guidance Counselors reported a significant decrease in peer-to-peer conflicts, often called "drama," as students focus more on in-person interactions. Additionally, there has been a noticeable improvement in bathroom usage, with students completing their breaks in record time.

Ms. Ralls stated that the average teenager receives **247 daily notifications** across various apps, games, and texts, which previously contributed to distractions. Teachers, many of whom are parents, expressed an understanding of the anxiety associated with not being able to reach their children in an emergency. However, they emphasized the importance of maintaining students' undivided attention during critical situations, as phones can cause panic. In one instance, during a lockdown, students became agitated as their phones were buzzing, detracting from their focus on safety instructions.

Mr. Medlock mentioned that a referral system is in place for disciplinary issues. Teachers submit incidents via a Google form. The main office processes referrals, with consequences ranging from discussions to administrative interventions. Early data suggests that referrals related to phone use have nearly been cut in half, though it is too soon to draw definitive conclusions.

September 25, 2024 5

Ms. Greenwood expressed concern about students' access to their phones in an emergency. Dr. McGee confirmed that students would have access to their phones, but only after the emergency had passed. The school has one portable magnet, with another on order, allowing the staff to unlock the Yondr pouches.

It was noted that the Yondr pouch system has garnered mixed reactions, but there is a commitment to analyzing data before expanding the program to high schools. Mr. Medlock admitted initial skepticism about the Yondr pouches. Still, after seeing the positive impact, he acknowledged that it may have been the best idea, even though he was initially resistant to it.

C. Fiscal Year 2026 Budget Presentation

Mr. Bressette shifted the meeting to the budget portion of the agenda. Superintendent McGee expressed appreciation for the previous presentations and proceeded with an overview of the Superintendent's budget, referred to as "Level 2". He acknowledged that the earlier "Level 1" budget presentations, provided by the Principals and Directors, had been reviewed, and adjustments were made based on feedback.

In summary, the proposed budget presented was a little over \$43 million from the General Fund, compared to the current year's adopted budget of \$40.5 million, marking a \$2.5 million or 6.4% increase. Dr. McGee emphasized that while this increase is significant, the District is currently operating on a default budget of \$250,000 to \$265,000 less than the Board's initial budget for the previous year. The new budget aims to restore cuts made due to the default budget while refraining from adding many new initiatives.

Dr. McGee highlighted staffing reductions due to declining enrollment, citing a tentative count of **1,622 students** compared to **1,647** the previous year, with an expected further decline. Salary increases, mandated by passing the teachers' contract, account for **\$635,000**, and raises from the PESPA contract added **\$90,000**. Health Insurance premiums are estimated to rise by 16%, equating to a **\$715,000** increase, although this figure is subject to change pending final confirmation.

Two Key Fixed Costs:

First, **\$532,000** is budgeted for replacing a boiler at PHS installed in 1998 and is now reaching the end of its useful life. Second, Special Education costs were also highlighted, with a projected increase of over **\$1 million** due to Out-of-District (OOD) tuition, related services, and transportation.

Dr. McGee also outlined proposed staffing reductions through retirement due to declining enrollment, including a Business Teacher position at PHS, a Case Manager position at PMS, and a Classroom Teacher at PES. These cuts reflect genuine changes in enrollment and were strategically planned to avoid layoffs affecting staff members expecting to work next year.

The meeting continued with a discussion of detailed budget adjustments amounting to **\$281,000** in reductions, including removing software previously used for instructional purposes. The budget's default status and timelines were reviewed, with updates expected on October 2 and further discussions on October 16 regarding the finalized default budget.

Mr. Bressette then opened the floor for questions from Board members.

The discussion continued with a review of the budget. It was clarified that the current budget was the same as the one previously reviewed, with the only change being highlighted where "Level 2" was mentioned. Ms. Mahoney noted some subtle changes that needed attention.

The budget packet included the General Fund, with new Salary and Benefits lines that had not been presented before. This included all Salaries and Benefits, not just those for the PEA and PESPA. Fund 22, the grant fund, was also included with no proposed changes to its appropriation, as well as the Special Revenue Fund and Food Service, which now included Salaries and Benefits.

September 25, 2024 6

Dr. McGee raised two key points. First, facilities had proposed adding a Custodian to maintain appropriate square footage per Custodian, which was included in the budget for PMS. Second, a Special Education Case Manager was added. This position was reassigned from a currently vacant position to maintain caseload levels, avoiding the need for reductions.

Other additions included an auditorium stipend, with an increase of **\$1,000** to cover both middle and high schools. There was also a request to support Game Management Supervisors for PMS athletics, which was retained in the budget.

Mr. Bressette asked a question on page 6 of the detailed report by function, focusing on a proposed reduction of IXL for ELA and the cut of Reading A through Z. Dr. Marandos explained that IXL was previously free during COVID-19 and was currently funded through a grant for grades three through eight. However, due to grant cuts, the plan was to eliminate it for ELA but retain it for Mathematics. The reduced figure of \$10,800, with a \$7,500 reduction, reflected this change, focusing on grades three through five.

Further discussion on page 18 highlighted proposed reductions related to supplies, specifically a **\$3,241** cut. Dr. McGee stated that this was based on anticipated growth in food and supply purchases, with the adjustment to reflect current expenditure patterns with some growth for the next fiscal year.

On page 33, a proposed cut of **\$6,000** related to vocational evaluations was discussed. Dr. McGee commented that the rationale for this reduction, which falls under Student Services, was based on the Director's assessment of anticipated needs. She believed this was the area with the least likelihood of being required. Additionally, a new CPI trainer was removed from the budget, as it was determined that the two current trainers could meet the District's needs without an additional resource.

Moving to page 34, under category 332, there was a proposed reduction of **\$24,480** related to Special Education Tutor Services, particularly affecting homebound students and charter schools. Dr. McGee commented that the Director indicated that this was an area with potential for cuts, as future costs were uncertain.

On page 38, a discussion took place regarding a note about a vacant IA (Instructional Assistant) position in Special Education. The budget shows \$21,740 for each of the four Full-Time Equivalent (FTE) positions. An additional level 2 IA brings the total to five positions at PES, which will be needed for the next school year. The budgeted total for these positions amounts to \$725,879.89, which includes all vacant positions, although individual line items for each vacancy do not appear in the budget report.

Page 45 noted reductions in Language Resource Rooms, publications, and software. Based on feedback from the Director of Student Services, the cuts were proposed to minimize damage.

On page 49, Vocational Education at PHS expenditures were highlighted. The 2023 expenditures amounted to \$84,500, while the 2024 expenditures were \$24,145. The adjusted budget for the current year is \$169,200, but the requested budget is \$115,200, reflecting a reduction of approximately \$54,000. Ms. Mahoney provided clarification that this figure is consistent with the approved budget for FY2025 and includes carry-over costs from previous years.

On page 121, there was a query about the necessity of Professional Services, which included Engineering Consulting, E-rate consulting, Document Management, and PowerSchool consulting. Dr. McGee noted that this matter will be discussed in more detail at the next Board meeting.

Finally, on page 126, the budget includes **\$500,000** to replace a 27 to 28-year-old boiler. A recent report from EEI is being reviewed to explore energy-efficient solutions, which will be discussed in the next meeting. Dr. McGee commented that the District received a fast-track report today.

September 25, 2024 7

Questions were also raised about staff-to-student ratios, and data showing the ratio of staff to students over the past three years was requested. Transparency was emphasized, and there was a commitment to share the findings with all Board members.

Next Steps:

Ms. Mahoney explained that the usual practice involved preparing a discussion list for the upcoming week. The individual responsible for compiling the list offered the Board the option to continue with the established method or to make adjustments. The consensus was to maintain the current process, where a template is developed and distributed in advance, with members sending their individual inputs for aggregation and inclusion in the meeting packet for further discussion.

The conversation then shifted to specific budget areas requiring discussion or adjustment. It was emphasized that having a prepared discussion list would allow Board members to gather necessary information beforehand, particularly given that a vote was scheduled for the following Wednesday.

Ms. Mahoney agreed to be responsible for sending out the template, allowing the members to mark their discussion points with their initials for inclusion.

Ms. Cummings and Mr. Abare requested a hard copy of the budget, which was arranged.

D. DOE-25 and MS-25 Reports for Signature

The discussion then moved to state reports, specifically the DOE-25 and MS-25, which are required by the Department of Education and the Department of Revenue, respectively. Ms. Mahoney commented that the reports contain financial information, such as the balance sheet, revenues, and expenses, due by October 1, following an approved extension. The Board was asked to review the reports, and signatures were to be gathered via Panda Doc. Both reports contained identical information, with the format differing between the two Departments.

Mr. Bressette inquired about the amount of money being returned to the General Fund for FY2024. It was confirmed that the **Unassigned Fund Balance was \$1,891,442.41**, as noted on page one of the DOE-25 report. The system used to input and reconcile the data was discussed, with assurance that validation mechanisms were in place to ensure accuracy.
