

# **Community Service Opportunities**

**Pelham Cemetery Department** - Has tons of work for students looking for community service hours. If you are interested in helping out, please reach out directly to Mr. Cunningham. His number is (603) 234-6833. You can text or call for additional information.

**Create Your Own Community Service** - Have you considered doing some community service work during high school but can't find anything that fits your interests? Do you want to have more ownership over what kind of service work you do? If so, then making your own community service project may be the right idea for you. **Please make sure to get pre-approval from the Counseling Department before starting your service.**

**The Pelham Good Neighbor Fund** - Is in need of an upgrade to our social media and internet communication platforms including: updating the PGNF website, Facebook page and establishing Twitter and Instagram pages. Please reach out to Mrs. Koravos: Bkoravos@Pelhamsd.org if you are interested in helping out.

**Help Someone in Need** - Rake leaves, clean up the yard or shovel for someone in the community who is physically unable to complete these chores. Help with tasks that they cannot complete on their own, groceries, errands etc. Be creative, think of your own community service activity or project. Please make sure to get pre-approval from the Counseling Department.
