

Pelham School District 2022-2023 Food Service Program Information

SCHOOL MEALS ARE NO LONGER FREE TO ALL!

Past years federal funding made it possible for breakfast and lunch to be at no cost to students. This funding was not extended for the upcoming school year so meals will be going back to priced.

Meals no longer need to be ordered online

**Families must apply for Free/Reduced Meals each school year.
The same is true for students who have been free or reduced previously.**

To apply for Free/Reduced Meals or get more information

Funds can be added to your student's accounts to purchase breakfast, lunch, and a la carte items throughout the year. To access or create an account visit: <https://www.k12paymentcenter.com/>

Every student in our school district has been set up with a food service account. Accounts are pulled up from our computerized system using the student's name or pin number. All account information is private and every effort is made to secure your child's privacy and account information.
