

Pelham High School

Studio Art

Visual and Performing Arts Pathway

Why choose the Studio Art Pathway?

The Studio Art Pathway aims progressively to provide students with the means to undertake self-direction work within a broad range of disciplines. The structure of the Studio Art Pathway provides a means by which students can contextualize their work while forming a knowledge and understanding of fine art practice.

What courses am I required to take?

Students in the Studio Art Pathway are required to take a sequence of courses that must include the following:

Option #1

2D Studio Art Requirements	Recommended Year
