Principal's Message

Dear Pelham High School Students,

I hope you enjoyed your summer vacation and are recharged and ready for the new school year. It will look a little different than last year. I am excited to move forward. Your commitment to academic excellence and learning is so important. Pelham High School's faculty and staff are committed to providing an educational environment that is rich with content, 21st century learning, and developing skills that support socio-emotional well being.

The school year will bring challenges and opportunities. I encourage you to take risks, be willing to make mistakes and fail, ask questions, set high expectations for yourself, set personal goals, and commit to yourself and your own success.

I encourage you to get involved in the Python community. There are so many opportunities to join clubs, sports teams, band, student voice, or any one of our new activities. I encourage you to attend school events. It is a great way to get involved and make new friends. I promise you will not regret it. You will form relationships that will last a lifetime.

Each year, I commit to having the best school year. I am very proud to be the Principal of Pelham High School. I am looking forward to getting back to something that feels a little more 'normal'. I look forward to meeting all of you. Our school culture is based on mutual respect, honesty, and trust. We set clear expectations and understand that there are consequences. We take responsibility. We cheer each other on. We celebrate accomplishments together. Our theme this year is #commit. We will #commit to be the best version of ourselves. We will #commit to excellence in and out of the classroom. We will #commit to work together while supporting each other.

Sincerely,

Ms. Mead
Principal

General Information

Purpose

The purpose of this handbook is to provide information about Pelham High School. The handbook outlines policies, programs, and organizations. We urge students and parents to read and review this together.

Inevitably questions and concerns do arise, we urge you to discuss them with the appropriate staff members. Our hope is that each of you has a pleasant and rewarding school year.

Mission Statement

Pelham High School is a community of adult and student learners whose actions encourage a collegial atmosphere and whose approaches promote a safe and positive environment. We believe the following:

- Education is a pathway to productive and socially responsible citizenship.
- Students will rise to the levels of expectations that are appropriately challenging in academic, social, and civic settings.
- Students will identify their individual strengths in order to explore and pursue individual goals.
- All students can learn and do so in different ways.

In support of our beliefs, the mission of Pelham High School is to educate our students as life-long learners to meet the challenges of the 21st century so that they may pursue life goals, participate fully as active citizens, and be socially responsible members of the global community.

Learning Expectations

Academic Competencies:

- Skills and Knowledge
- Application of Problem Solving
- Communication

Social Competencies:

- Students will behave appropriately and responsibly with regard to others, to oneself, and to one's surroundings.
- Students will act with integrity and honesty within the school community.

Civic Competencies:

- Students will demonstrate a civic responsibility to work effectively and respectfully to improve the world around them.

Accreditation Statement

Pelham High School is accredited by the New England Association of Schools & Colleges (NEASC), a non-governmental, nationally recognized organization whose affiliated institutions include elementary schools through collegiate institutions offering post graduate instruction.

Accreditation of an institution by NEASC dictates that it meets or exceeds criteria for the assessment of institutional quality periodically applied through a peer group review process. An accredited school or college is one which has available the necessary resources to achieve educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by NEASC is not partial but applies to the institution as a whole. As such, it is not a guarantee of the quality of every course or program offered, or the competence of the individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Non-Discrimination Statement

The Pelham School District does not discriminate on the basis of handicap, sex, race, religion, color, national origin, or age in its educational activities and practices. No student shall, on these bases, be denied equal opportunities to participate in said education activities.

Any person having inquiries concerning the Pelham High School's compliance with Title IX of Section 504 of the Vocational Rehabilitation Act of 1973 is directed to contact the Title IX or Section 504 Coordinator, School Administrative Unit #28, Pelham, NH 03076, who will receive and investigate the complaint.

Communication Protocol

At Pelham High School, we believe the process in developing self-advocacy skills should be developed while students are in high school and following the communication protocol will ensure a timelier response to concerns.

In general, questions should first be addressed by your student with the classroom teacher or the person most intimately involved in the situation. As a follow-up, if parents/guardians have questions it may be discussed with your child's teacher or staff member at a time convenient for the both of you. If you still have concerns, please address them with the Dean of the department prior to calling the main office and requesting to speak with administration. (Please allow 48 hours for response.)

We expect that all forms of communication will be civil and productive. Civil communication follows accepted standards of courtesy and maintains a degree of formality. This standard applies equally to staff and parents in all forms of communication including letters, emails, text messages, phone conversations, social media postings and behavior in meetings and at events.

ACADEMICS

Academic Protocols and Grading Philosophy

Philosophy: Academic grades will reflect the degree to which a student has met (at the time of reporting) the course competencies—what a student should know and be able to do as well as the timeliness of submitted assignments. Competencies/content for every class will be clearly articulated and distributed to parents and students.

Students will be provided with multiple learning activities and opportunities to learn, to practice, and to demonstrate the knowledge and skills necessary to meet with success. Students will have access to extra/supplemental learning opportunities designed to help them demonstrate mastery of course competency.

Protocols: Course syllabi will be provided to each student for every class. All course requirements, fees, supplies, expectations, and methods of evaluation will be explained.

Grades will reflect a demonstration of course content, skills, and competencies. Information not directly associated with this demonstration will not be incorporated into academic grades. No grades will be given/taken away for non-academic factors. (Ex. not turning in signed documents, book covers, effort, classroom behavior, etc.)

When considering a student's overall grade, teachers' professional judgment, the bulk of evidence a student has produced, and the mean, median, and mode data points should be considered to determine the course average. In all cases teachers need to use the evidence to support a student's grade. Teachers, with administrative approval, may request exceptions to this protocol for purposes of credit recovery for individual students.

Add/Drop Procedures

A student may add/drop a course with parent permission during the first 5 days of a semester if the request meets one of the criteria and there is space available. Full year courses may only be dropped during the fall add/drop period. (Note: Wait lists are put in place to ensure fairness in the process, and students must attend the classes on their current schedule until changes have been made and a new schedule is processed by the College and Career Guidance Department.) All requests for schedule changes during the add/drop period must receive administrative approval. During this period, there will be no notation on the transcript, and it would be considered a schedule change.

After the first 5 days of a semester, students who drop a class will receive the appropriate designation of "WP" (withdraw pass) or "WF" (withdraw fail) on their transcript (please refer to course withdrawal procedure).

Advisory

All students will be assigned to a 45-minute advisory and all have an advisor who will meet with students on a regular basis serving as the student's mentor regarding academic and personal issues. Advisory provides students with the opportunity to meet with their teachers, complete assignments and/or

assessments, develop their social/emotional learning skills or participate in enrichment activities. With the exception of Mondays, students will be provided the opportunity to choose how to use this time to meet their needs. However, if a student is experiencing academic difficulty, the student may be assigned to meet with a teacher or a staff member. If a student has been assigned a mandatory intervention and does not attend, there may be consequences assigned.

Alternative Credit Options and Extended Learning Opportunities

Students who are interested in seeking high school credit outside of Pelham High School with the intent to transfer the credits toward high school graduation requirements must obtain administrative approval beforehand. Please speak with your school counselor whenever considering alternative credit options. Alternative credit options must be earned through a state certified educational institution or college/university. In order to transfer credit, the student must provide a transcript from the certified institution.

Auditing a Class

There are cases in which a student who passed a course wishes to repeat it or a similar course (e.g. chemistry and then chemistry honors). In those cases, the course may be audited. The following conditions apply:

- A seat must be available in the course.
- The student must have approval from the Dean of the department.
- The course is noted on the transcript with an “AUD” and no credit or grade is assigned.

Competencies

A competency is defined as the desired knowledge, skills, and abilities of a student and is used to determine understanding of course material and earning course credit. Each course at Pelham High School will specify the level of knowledge, skills, and abilities required for success as well as the measurement criteria for determining proficiency.

Competency statements identify the overarching and expected outcomes. In each course curriculum there will be identified, measured, and assessed performance indicators, benchmarks, and learning targets. Pelham High School has identified three school wide competencies (see below) that will be measured and assessed for progress and mastery across content areas. These three school wide competencies are outlined and defined on the course syllabus provided to students in all courses at Pelham High School.

Each high school course will include three (3) competencies that students will be expected to master:

- Competency #1 (C1) – Skills and Content Knowledge
- Competency #2 (C2) – Application and Analysis
- Competency #3 (C3) – Communication

Competency Recovery

Pelham High School has a universal competency recovery plan that is made available to students on the course syllabus and on our website. Recovery involves the relearning and reassessment of content and skills. The relearning and reassessment are completed through a partnership between the teacher and the student. Students are required to complete a request form and submit the form to the teacher for approval within one week of the grade being posted. It is important for teachers and students to work together to develop a plan for reassessment. Please refer to the school website and course syllabi for more information.

Course Withdrawal

As an accredited institution, we are committed to accurately communicating a student's academic history for all high school courses attempted. Therefore, after the 5 day add/drop period has expired the student will receive the appropriate designation of "WP" (withdraw pass) or "WF" (withdraw fail) on their permanent transcript. Withdrawals are permitted up until 50% of the course has met. For example, for a full year course, students can withdraw from the course during semester 1. Once semester 2 has started, students will not be permitted to drop a course. For a semester-long course, students can withdraw from a course during the first 45 days of the course; however, after these 45 days the student will not be permitted to drop the course. All withdrawals will require parent/guardian signature and approval of the administration.

Grading of Medically Involved Students

In order to provide an accurate reflection of a student's current grade, if a student is medically involved, zeroes will be recorded for all assignments that are due and are missing. Classroom teachers will work with the student's school counselor to determine a reasonable plan to make-up missed work. This plan will be communicated in writing with the student's teachers and parent/guardian. A student can request a medical withdrawal at any time.

If a student wishes to medically withdraw from a course, medical documentation is required along with administration approval. A medical withdrawal, "MW" will be recorded on the student's permanent transcript.

Grading System

Grades are always available on the PowerSchool portal for all students and parents. Please check these grades frequently, these grades are intended to indicate a student's academic progress. At the end of a course, PowerSchool will reflect the grade earned. (Note: Report cards are not mailed home; however, if you would like a copy of a report card please contact the College and Career Guidance Department.)

The following are the grades that are distributed at Pelham High School:

Letter Grade	Numeric Range	Non-Leveled	Level I	Honors/College Credit	AP

AUD – Course Audit: No credit or grade is assigned to the course.

I – Incomplete: An incomplete may be given to a student who has extenuating medical, personal or academic circumstances, with the time frame being determined by administration. All coursework must be completed in 4 weeks. After 4 weeks, incomplete work will be permanently recorded as a zero and the course grade will be finalized. (Note: An incomplete is not considered a graded course for the purpose of determining honor roll.)

F – Fail: Student has failed the class.

MW – Medical Withdrawal: Student has been medically withdrawn from the class.

P – Pass: Student has passed the class.

WP – Withdraw Pass: Student has withdrawn from a class with a passing grade.

WF – Withdraw Fail: Student has withdrawn from a class with a failing grade.

Graduation

In order to participate in the Pelham High School’s graduation ceremony, students must meet one of the following criteria:

1. Successfully complete all requirements for a PHS Diploma
2. Successfully complete a PHS Certificate of School Completion per their Individual Education Program (IEP).

Additionally, students must have met all outstanding obligations, such as money owed from lost or damaged textbooks, chrome books, library books, uniforms, or other School District property, in order to participate in senior activities and the graduation ceremony. Items previously thought to be lost, paid for, and then found can only be refunded if a replacement item has not yet been purchased. Administration reserves the right to limit participation in senior activities.

Homework Protocols

Homework is a formative assessment grade and is a normal and expected part of school life at Pelham High School. Formatives typically play one of four roles: checking for understanding, previewing a concept, practicing, or processing concepts. The expectation is that students will study and review course materials as part of a student's academic routine. The amount of homework may vary from course to course; all students, however, along with their parents or guardians, should realize the importance of homework and plan accordingly. Homework must represent the work of the individual student alone. Students who are absent can obtain their homework first by looking at Google Classroom and then by contacting their teachers. It is the responsibility of students, who submit assignments electronically to their teachers, to confirm with their teacher in a timely manner that the work was received.

Honor Roll

Each semester, a student Honor Roll is published on the school's website. All students must carry a minimum of six (6) graded courses to be eligible for the Honor or High Honor Roll:

High Honors: Students with grades no less than A- (90+).

Honors: Students with grades of no less than B- (80+).

Level Changes

If a student is inappropriately placed in a core course, a request may be considered to change the level of the course. Level changes, when necessary, are considered up until the first 45 days of a course. The grades will be entered for the course the student is withdrawing from and will result in a WP or WF on the transcript. The teacher of the new course will record grades for the remainder of the semester/year and a student's GPA will be calculated based on the weight of the course when credit is awarded.

Parent Conferences

Parents and guardians are encouraged to confer with teachers, counselors, and/or administrators about their son/daughter. Pelham High School will host two parent conferences (one scheduled each semester) and uses an online sign-up system to schedule appointments. The sign-up system is available through the high school's website as the conference days approach. Conferences may also be arranged at a mutually convenient time with any teacher, counselor, or administrator throughout the year.

Parents are reminded that they may call or email the school throughout the school year should they wish to have a conference with any teacher, school counselor, or staff member.

Report Cards

PowerSchool reports a student's academic progress on a rolling basis. Report cards are not printed. If you need a paper copy mailed, please call the Guidance Office at 635-2115.

Schedule Change Procedures

During the initial course registration period students are asked to make their course selections carefully since resources are allocated based on student requests. Once the master schedule is developed, course changes are very limited. In the event that a schedule change is necessary, school counselors will be available for two days in August to accommodate all requests. Schedule change requests will be taken in a fair and equitable manner, including adding names to wait lists. A sign-up sheet for requests will be available during normal business hours and under no circumstances will requests be taken through an email or phone call. Requests for schedule changes after the two-day schedule change period will not be honored unless extenuating circumstances exist (see below) and will require permission of the administration.

Once the academic year begins, there should be no schedule changes other than for the following reasons:

- Graduation requirements are missing
- Prerequisite requirements have not been met
- Duplication of courses

Textbooks

The Pelham School Districts loans all textbooks needed for coursework. If books are lost or damaged beyond reasonable wear, the student will be assessed an amount sufficient to cover the loss or damage. Students are reminded that it is their responsibility to notify their teacher immediately if they believe that a book is lost or stolen. Students must meet all outstanding obligations owed from lost or damaged textbooks in order to participate in senior activities and the graduation ceremony.

Turnitin

Teachers will be using the Turnitin Software to teach proper use of researched information, review citations, and check for possible plagiarism. Students are responsible for following the protocols outlined on the course syllabus with regards to using Turnitin.

ATTENDANCE & ACCOUNTABILITY

School aged children enrolled in the district must attend school in accordance with all state laws and school board policies. The educational program offered by the district is predicated upon the presence of the student and requires continuity of instruction and classroom participation for the students to achieve academic standards and consistent educational progress. Relevant state legislation includes RSA 193, which can be found on the NH Department of Education website.)

Philosophy

The philosophy of Pelham High School is that regular attendance and participation in classroom experiences are an integral part of any meaningful educational program. School attendance is mandated by state law and it is the responsibility of the parents or guardians to assure the punctual and regular attendance of their children.

If the student has had a fever within the previous 24 hours, he or she may not attend school. If the student is not well enough, they should remain at home.

Absences [JH](#)

Absences will be deemed excused or unexcused by the office on the daily attendance sheet.

- a. Attendance shall be required of all students enrolled in the district during the days and hours that school is in session. The board recognizes that absences from school may be necessary at times. For that reason, the board recognizes two types of absences from school: excused authorized and unexcused unauthorized absence. (Policy JH)
- b. Any absence that has not been excused for any of these reasons will be considered an unexcused absence. Skipping school or classes will be unauthorized and make-up work will not be allowed. Suspended students may turn in work for credit immediately upon return to school.

The board considers the following to be excused absences:

- Illness or injury covered by doctor or parent note
- School sponsored or mandated absence
- Required court attendance
- Medical and dental appointments
- Death in the family or close family friend
- Observation or celebration of a bona fide religious holiday
- Planned extended absences (i.e. college visits, etc.)
- Absences approved by the Superintendent under RSA 193:1, 1(c)
- Absences as a result of waivers from the Superintendent for alternative plans under RSA 193:1.1(h)

Pelham High School does not support scheduling vacations while school is in session. Families who find it necessary must take the following steps:

- Bring in a note from the parent/guardian explaining when the absence will take place.
- Acquire a permission form that will be signed by each teacher.
- All forms need to be signed by the parent/guardian and returned to the main office 48 hours prior to the vacation.

After these steps have been completed, the absence will be excused. If these steps are not followed, the absence is unexcused, and no make-up work will be allowed without prior approval of the administration.

Parents must call the PHS Main Office at 635-2115 ext.1126 and leave a message in order to have the absence excused.

Areas off Limit

The following areas are off limits to all students unless they are under the direct supervision of a teacher or with permission: unoccupied classrooms; collaboration rooms; library; cafeteria; gymnasium; locker rooms; teacher's room; nurse's office; storage room; custodian's room; and auditorium.

Arrival to School

All doors will be locked at 8:00 a.m. Students arriving after the doors have been locked are required to stop in the main office for a pass to class. Students must be in attendance 50% of their schedule to be eligible to participate in extracurricular activities. Students with early release/late arrival must sign in and out of the main office. ***Students may not leave school grounds after arrival, including going back to their vehicle.***

Bathroom Privileges

The men's and women's lavatories are to be used between blocks. Students will be allowed to use the lavatories during class time with teacher permission only. All students must sign out of class to be in the halls and lavatories and carry a pass indicating their designated destination. Students are reminded not to abuse this privilege.

Departure

Except for those remaining for extra help, detention, or activities, students must leave the building and grounds at the close of school.

Dismissal from School

All requests for dismissal from school must be communicated to the main office first thing in the morning and students must sign out at the time of departure. Dismissals for medical appointments or emergencies that cannot be scheduled outside of the school day will be excused. The request for dismissal must include the student's name, date, time, reason and parent contact information. Students who are 18 years old may dismiss themselves through the office after following proper procedures.

The administration reserves the right to verify all dismissals. Excessive dismissals will not be allowed.

Students who leave school without following the proper dismissal procedure will receive consequences as outlined in Level II offenses. Parental notes received after a student has left school grounds will not be accepted. Under no circumstances should a student who becomes ill leave school grounds without the permission of the nurse and/or administration.

Student Records

Each year, we request current emergency and registration information. It is of the utmost importance that this be completed/updated accurately online in Student Verification promptly in the beginning of the school year. During the school year, you should update this information with the main office when it is necessary (any change in your address or telephone number should be reported). Your child's health may depend on this information. If your child is injured at school, and we feel additional medical treatment is needed, we will try to contact you at the numbers listed. If we are unable to reach a parent or guardian, we will call the neighbors or relatives you have designated. If we are not able to reach anyone, we will call the physician you named in the emergency information, explain the problem and follow his/her instructions. Please ask the persons you designate for their permission to use their names as an emergency contact. Remember that this will be the person we will call if your child is hurt or sick and we cannot reach you.

If both parents are away from home, on vacation or on business, and you leave your children with a friend or relative, please leave a signed letter with them giving them the authority to sign for medical treatment in your absence.

If an emergency involving injury or illness, the Pelham EMT's will be called to transport your child to the nearest medical facility. Many hospital emergency rooms will not render treatment without the consent of a parent or guardian. In case of severe bleeding, breathing problems, or poisoning, they will, of course, give immediate lifesaving treatment. Fractures, minor surgery, etc. will not be done without the consent of parents or guardians.

If you have any questions or if you would like to discuss emergency care plans for your child, please call the school nurse at 635-6906

Parental Custody

A copy of any legal documents verifying any modifications to the custodial rights of either parent must be provided to Pelham High School. This document will be kept in your child's permanent record folder and will provide school staff with a legitimate basis for responding to any situation that may arise regarding custody (i.e., visits, dismissal, etc.).

Early Release/Late Arrival Expectations

The early release/late arrival program is for seniors only. Seniors can use that time for opportunities outside of school that could benefit their personalized educational plan. Students participating in the early release/late arrival program may lose their eligibility if any of the following occur:

- Failing one or more courses
- Failing to display good citizenship
- In school or out of school suspension
- Failing to sign in or out

If a student is interested in early release/late arrival, an application must be completed with parent and administrative authorization. Please note, to earn an Honors with Distinction Diploma or Merit Diploma students will need to earn 32 credits.

Evacuation Procedures

Please be aware of the instructions posted in each classroom. Students are to exit the building in a quick and orderly fashion. Fire lanes are designated at all exits and in the rear of the building between the fields and the garage.

Leaving Class

Students must obtain permission to leave a classroom during class time. They must carry the appropriate pass with them in the hallways.

Library

Students are welcome in the library before and after school. During class time, teachers may write passes for the students in their class to go to the library. Students who do not behave appropriately will lose their library privilege for a specified length of time.

Lunch

The Pelham School District participates in the USDA (US Department of Agriculture) national school lunch program. Breakfast will be available for the 2021-2022 school year. The nutrition service department plans menus that meet the USDA nutrition and sanitation regulations. Menus can be viewed online at pelhamsd.org and click onto Pelham High School. Meal prices are set yearly. Please check the menu for the current price list.

Each family will be provided an application for the free and reduced price meal program. Any family is welcome to apply at any time during the school year. Applications are available at the school office, the nutrition service office and at www.pelhamsd.org. You may also apply online at <https://www.lunchapplication.com/>. If your family received this benefit last year, you will need to reapply by October 1, 2021. All lunches will be free to students for the 2021-2022 school year.

The nutrition service department operates a prepaid debit card system. All students will be provided with a debit card to access their account. The accounts track all purchases and payments made throughout the year. The cards will be kept in the cafeteria to be picked up before the student has breakfast, lunch or milk. By keeping the cards in the cafeteria, your child is less likely to lose or damage the card. If your child loses the card, the account will be charged \$5.00 for a replacement card. If you

would like an itemized account history, please contact the food service office at 635-7384, send in a written request with your child or email krambeau@pelhamsd.org.

Payments can be sent into the school with your child. Payment should be in an envelope with the child's name, teacher, bar code number and total amount of the deposit. Cash or checks made payable to Pelham Nutrition Service in any amount are accepted. Parents will be able to view the account online and make payments at <https://www.k12paymentcenter.com/>. Please check the school website and monthly menu for that information.

Charging of purchases is not encouraged although we understand sometimes payments may be late. Bills and low balance reminders will be sent home weekly. If the account becomes past due for \$5.00 or more, you will be notified that payment must be received within one week of notification.

We welcome any questions or concerns you may have. Please contact the nutrition service department at 635-7384. The Nutrition Service Team wishes you a great school year!

Eating and drinking is only allowed in designated areas. Designated areas include the cafeteria and the Family and Consumer Science Room. Lunch must be eaten in the cafeteria. Students are permitted to have snacks or drinks in class at teacher discretion. No deliveries of food or beverages are permitted.

Missing Class

Missing a class or classes to finish a school assignment, study for a test, or similar activity is considered an unexcused absence. As such, staff are not required to provide make-up work for the class that was skipped. Students who become ill and cannot attend class must immediately report to the nurse or main office and remain there until dismissed with a pass. Missing a class by spending the period in the lavatory or locker room, etc. due to illness is considered an unexcused absence.

Tardies

Students who arrive after their first period class has started are tardy to school. Tardies to school may be excused with a note from the parent/guardian that explains the illness or emergency. The following rules will apply if the tardy is not authorized:

- 1st – 3rd Tardy – Warning
- 4th – 7th Tardy – 1 Detention per occurrence

Truancies

The administration will address school truancy and contact the parent/guardian of the student, as well as, the Pelham Police Department. An unauthorized absence from school is considered truancy and will be treated as such. See RSA 193:1, 2, 7.

DISCIPLINARY GUIDELINES

The Pelham High School Code of Discipline is founded on the belief that all members of the school community are expected to foster a culture of learning and respect.

Alcohol and Drugs [JICH](#)

Personal Searches [JIH](#)

All students are entitled to a safe and healthy educational environment. The school has the responsibility of trying to protect students from antisocial behavior on the part of irresponsible classmates. Furthermore, the school administrators must take preventative and disciplinary actions that are both swift and informal in order to be effective.

The school district retains ownership and possessory control over student lockers and desks, and therefore, always reserves the right to inspect lockers and desks.

School administrators have the authority to immediately, upon reasonable suspicion, search students, including handbags, backpacks, automobiles, and electronics. Students are expected to cooperate in investigations. Students not willing to comply with administration will be subject to consequences.

The administration of Pelham High School, in cooperation with the Chief of Police of Pelham or other authorized law enforcement officials may individually, or acting in cooperation, employ any technical means, including the use of drug sniffing dogs in announced and unannounced searches.

Procedure for Handling Incidents

For any student involved in taking, dispersing, or possessing alcohol, drugs or tobacco products on or off school property, eligibility to participate in athletics or extra-curricular will be withdrawn for 90 school days from the date of the incident(s). Any athlete or extra-curricular participant found to be in the presence of alcohol or drugs on or off school property will not be allowed to play/participate for one week. ***Please refer to the PHS Athletic Code for additional student athlete codes and information.***

Self-Referral

When a student recognizes that they have a problem with alcohol and/or with drugs and reaches out for help and support, the school will cooperate as fully as possible with the student. No disciplinary sanctions will be imposed provided the following conditions are met:

- There is no immediate or apparent threat of harm to self or to others.
- The student is self-referred and not “caught” in violation of school or legal policies.
- Parent/guardian notification if appropriate.

A student under the influence of alcohol and/or drugs will be allowed one opportunity during their high school career to self-refer to a school counselor, nurse, or administrator prior to the discovery of being under the influence.

Student Restriction Policy

If a student has been suspended, the administration reserves the right to restrict the student from various events. The student and parent will be notified in writing that the student will not be allowed to attend those events that are either after school and are not related to a student's educational program.

Suspected Use

Any member of the school community concerned that a student is harmfully involved with alcohol or other drugs may make a referral to the school counselor, nurse, or administrator. All referrals are confidential.

DRESS CODE

The general administrative policy is that extremes in dress should be avoided. All students are encouraged to appear in clothing appropriate for school use. Personal cleanliness must be exercised by all students. Please do not use strong smelling scents or sprays in school as there are staff members and students with allergies and asthma who may have severe reactions.

The matter of dress and appearance is, for the most part, a matter of individual taste. Students must, however, respect the learning environment. Any appearance or dress which would cause a distraction from the learning process, infringe upon the rights of other students, or dress that is unsafe and unsanitary will not be tolerated. Violators will be sent to the administration and asked to make appropriate adjustments to comply with the dress code, and/or may be asked to call home to acquire appropriate clothing. College and Career Counseling

The College and Career Guidance Department serves all students in a variety of ways and is designed to meet the academic, career, and personal counseling needs of students at each grade level. Our goal is to assist students to achieve their maximum academic potential and encourage social and extracurricular experiences that promote personal growth. Services are delivered through individual counseling, group counseling, and classroom presentations. When necessary, referral to outside therapeutic personal and/or mental health counseling resources will be made. The school counseling program is available to assist students in making appropriate academic choices while helping students to cope with and manage challenging emotional and social situations. Counselors have an ethical responsibility and a professional duty not to reveal information to others learned in a private interaction with a student except when there are special and compelling circumstances or a legal mandate. Such exceptions include: the student is a danger to self or others; suspicion of child abuse and/or neglect; and/or other behaviors of significant concern to the best interest of the student as outlined by the ethical standards of the American School Counselor Association

Insurance

Students must have accident insurance to participate in intramural or extra-curricular athletics. School insurance is one form that covers this. Proof of insurance is required to participate. A school form for this

purpose is available in the main office. The only requirement we make is that each student returns the envelope with a signature showing the parents'/guardians' wishes in this matter.

Medicine

While in school, students are not allowed to take any kind of medicine unless under direct supervision of the school nurse and with the appropriate notes from both the home and doctor. Students are required to give ALL medications to the school nurse, including over the counter medication.

Students are urged not to bring large sums of money to school with them. Pocketbooks, purses, wallets, etc., should not be kept in lockers.

Posting/Distributing of Materials on School Grounds

School related advertisements, announcements, posters, and other materials shall only be posted or distributed on school property with prior approval of the administration. Students are responsible for removing their materials immediately after their event takes place. Outside organizations are allowed to post materials on the bulletin board near the guidance office.

Sec, 9528 of the Armed Forces Recruiter Access to Students and Student Recruiting Information Act states that the school is required upon request to provide names, addresses, and telephone listings to military recruiters or institutions of higher education. A high school student or his/her parent or guardian may request in writing that the information not be released.

Cell Phones/Electronics [JICJ](#)

The Pelham School District has a right to protect its network and technical resources. Therefore, any student who uses the school district's network while bringing their own personal device into the school building is required to adhere to the Acceptable Use Policy (AUP).

Our automated telephone system will allow you to leave a message directly with the staff person with whom you wish to speak or you may speak with one of the secretaries in the main office. The school telephones are business telephones and will be restricted in their use by students unless the cause for

use is an emergency or unusual situation. Please do not telephone the school for unnecessary personal messages to your child.

A student may use their cell phone or other personal electronic devices (including headphones) during class time only with permission from the classroom teacher.

The student may not use any device to record, transmit, or post photos/video of other individual(s) without express permission of a staff member. Violation may result in school consequences as well as police involvement.

No images or video recorded on campus can be transmitted or posted at any time without the express permission of staff and/or participants. (An exception is made for public events such as sporting events, concerts, plays, etc.)

Administration reserves the right to confiscate a cell phone until the end of the school day.

Chromebook Care and Guidelines

Using Your Chromebook at School:

You are expected to come to school with your Chromebook fully charged every day and you will be expected to bring your Chromebook to all classes. The Chromebooks have an 8-10 hour battery charge that should last through a typical day. You may not leave your Chromebook at school to charge.

If a student does not bring their Chromebook to school:

- They may check out a loaner for the day, if one is available.
- If a student fails to bring their Chromebook to school frequently, then this may result in disciplinary action.
- If a student checks out a loaner, they will be responsible for returning the borrowed device to the office before 2:00 p.m.
- If the loaner is not turned in by the end of the school day, administration will be notified.

If a Chromebook needs to be repaired:

- A loaner Chromebook may be issued to students when they leave their school-issued Chromebook for repair due to accident or defects.
- If students are having their devices repaired the loaners can be taken home.
- Students will be contacted via e-mail when their devices are repaired and available to be picked up.

Using Your Chromebook Outside of School:

Students are encouraged to use their Chromebooks at home and other locations outside of school. A WiFi Internet connection will be required for the majority of Chromebook use, however there are some applications that can be used while not connected to the Internet. The district utilizes an Internet content filter in order to maintain compliance with the Children's Internet Protection Act (CIPA) and to

protect students from obscene or harmful content. All Chromebooks, regardless of physical location, will have all Internet activity protected and monitored by the District.

General Care and Insurance

Students are responsible for the general care of the Chromebook. Students will have the same Chromebook for three years. If a student has a Chromebook that is broken or fails to work properly they will need to bring it to the designated support area within the school as soon as possible so the issue can be diagnosed and addressed. In the first year of ownership, the device will also be covered against all defects in materials and workmanship. The vendor will provide normal replacement parts necessary to repair the Chromebook or a replacement is warranted. The vendor warranty does not warrant against damage caused by misuse, abuse, or accidents. If a student intentionally damages their device they will be responsible for the replacement costs.

There will be an optional device fee that will cover **unlimited accidental damage in one school year**. We highly encourage parents to purchase insurance. If you do not choose to pay the fee then parents/students will be responsible for the cost of any accidental damage to the device. Please report any lost or stolen devices to the building administration immediately. Lost or stolen devices will be subject to the Chromebook replacement fee. The price of this insurance is \$20.00
