

Hello W.I.N. Block Teachers,

We are very excited for this year's Tiger Challenge Fundraising event, taking place on Friday, October 12th with a rain date of Friday, October 19th. This year, the students will be competing in team building activities by W.I.N. Block. Students will also have the chance to win a variety of gift cards based on the amount of donations they raise. We hope that this will provide some healthy competition amongst the students, as well as some team building opportunities. We hope that you will encourage your students to have fun with this event, encourage them to take the fundraising packet home to their parents, as well as raise money to benefit Pelham Memorial. All monies raised will be used for field trips and special projects at PMS that will support student activities, such as the annual block party and field days.

As stated, students will be competing by W.I.N. Block teams. They will have the opportunity to win a Pizza Party, per grade, for the W.I.N. Block that turns in the most sponsor forms as well as the most team color participation. Please help us create excitement for this event with your students. Please have your classes **pick a team color and name by Thursday, October 4th** to allow parents the weekend to go shopping if needed. Shirts must be provided by the students. Additional points can be earned for team spirit for example: team colored bandanas, spray painted hair, face paint, etc. Challenge your students to come up with unique and exciting ways to show their team spirit. Please ensure that the band students are in attendance for all team decision making.

Please instruct your students to dress appropriately for physical activity as well as the weather. Water tables, walkie talkies, and nurse's bags will be available at the event.

Please find the schedule for the day below. Please remain with your W.I.N. Block students at all times. This will include escorting them to and from each event, as well as ensuring that they return to the building after their time slot is over.

Schedule for the day

7th Grade – 8am-9:30am

8th Grade – 10am-11:30am

6th Grade – 12:15pm-1:45pm

The students will be competing in various Tiger Challenges, held in three different locations (PMS Gym, PMS outside basketball court/black top and PMS softball field.

Tiger Challenge Fundraiser Activities

PMS Softball Field – Tower of Power, Blindfold Partner Obstacle Course, Tug-o-war, Trolley Team Building, Moon Ball

We have been overwhelmed by the staff support and participation in the past. We hope that we can continue that level of participation and excitement to our event this year. To make this event a success, we need the staff's help. We appreciate your commitment to encourage, support, and cheer on your team!

If you have any questions on this, please contact the PMS PTSA Board (Danielle Pilato, Kim Hunt, Kelley Sauer, Sylvie McFarland at pelhamptsa@pelhamsd.org). Thank you in advance for all your support and dedication! Together We Can Make a Difference!!
